

Cost-Share Rules

1. Cost-share will be allocated on a first come first served basis up to \$10,000 in cost-share per landowner.
2. Tenant can only sign for landowner if Fremont County SWCD has a POA on file.
3. Cost-share will be allocated to the landowner for one year unless the landowner requests an extension. It is the landowner's responsibility to contact the district for an extension request. No notice will be given to the landowner prior to completion date. No extensions will be granted without prior approval by Fremont County SWCD.
4. Cost share in the amount of \$15,000 will be reserved for summer work. **39-08** A motion was made by Sanders, seconded by Wing to reserve \$15,000 maximum of cost share allocations for summer construction to be completed by September 15th. Motion passed with all in favor.
5. \$10,000 cost share will be used for land in the Waubonsie Watershed for practices installed under the WIRB grant.
6. Landowner is only guaranteed up to 50% of the bill or estimate, whichever is less, excluding summer construction.
7. Cost-share for ponds will be up to \$15,000 per landowner.
8. Landowner is eligible for cost-share if it has been one year since said landowner received dollars from state cost-share and it has been one year since cost-shared work has been done on the same tract of land.
9. Cost-share will be allocated to landowner for one year.
10. It is the landowner's responsibility to provide all bills and the contractor's checkout notes to the office within 30 days of the date the project is completed.
11. The practice must meet the Natural Resources Conservation Service (NRCS) specifications. If the project does not meet NRCS specifications, no additional dollars will be obligated for the project to be brought up to NRCS specifications. This additional work will be at the landowner's expense.
12. Cost share through IFIP Management Practices is available for cover crop at \$25.00 per acre up to 160 acres.
